

REMARKS

An amendment to the claims is an amendment that falls within the guidelines of 37 C.F.R. §1.312 (see MPEP 714.16). In particular, amendments that are needed for proper protection of the invention, and which require no substantial additional work on the part of the Office may be entered. Applicant has amended the claims to include dependent claims 32-37 which correspond directly to dependent claims (5, 6, 7, 8, 14, 15) previously cancelled from the application.

Applicant respectfully requests entry of the new claims which depend from claims that have been allowed.

Respectfully submitted,
